

About All-over-IP Expo

Founded in 2008, All-over-IP is a networking platform for global IT, surveillance and security vendors, key local customers and sales partners where they share knowledge and exchange ideas that are financially rewarding for business. All-over-IP Expo brings together major brands to ensure the best marketplace for the latest technology and innovation, and to lead customers to the Next Big Thing. Sponsored by [AxxonSoft](#), [Basler AG](#) and [Dahua Technology](#).

Annually, the All-over-IP Team is trying hard to provide the Russian market with extraordinary and enjoyable educational experience. With new event ideas, formats and topics every year, the show is focusing on increasing visitor engagement and conversation between global vendors and the local market.

10th International Expo and Conference All-over-IP 2017 brings new business agenda for the benefit of global and local IP vendors who are willing to exchange experience, educate customers, charge up sales partners and drive business in growing market segments.
