

AI and Big Data Expo Global Countdown: Less than 4 weeks to go!

A promotional banner for the AI & Big Data Expo Global. The left side features a dark blue background with the event title 'AI & BIG DATA EXPO' in large, bold, pink letters, followed by 'GLOBAL' in white. Below this, a list of statistics is shown in white: '7000 ATTENDEES', '150 EXHIBITORS', '150 SPEAKERS', and '9 CO-LOCATED EVENTS'. The right side of the banner shows a photograph of a large audience seated in a conference hall. Overlaid on the photo are two pink call-to-action boxes: one at the top right stating 'OLYMPIA, LONDON 5-6 FEBRUARY 2025' and another at the bottom right stating 'UNDER 4 WEEKS TO GO - REGISTER TODAY!'.

[AI and Big Data Expo Global](#), the premier event for AI and Big Data enthusiasts, innovators, and industry leaders, is under 4 weeks away. Set to take place at the stunning Olympia, London from 5-6 February 2025, this must-attend Artificial Intelligence and Big Data event is for professionals from all industries looking to learn more about the newest technologies that are transforming the world of work.

Key Highlights:

- **Headline Speakers:** The event boasts a stellar line-up of over 150 speakers from leading global organizations, including:

NVIDIA, LinkedIn, Unilever, Sainsbury's, Co-op, Salesforce, BT Group, Meta, Lloyds Banking Group, Philips, The Economist, Jaguar Land Rover and many others.

These industry trailblazers will share their expertise and visions on how AI and Big Data are shaping the future across various sectors.

- **Industry leading agenda - topics include:**
 - Strategic insights into the convergence of machine learning, NLP, and neural architectures shaping AI's future.
 - Explore how AI is transforming businesses globally, beyond just augmenting intelligence.
 - Understand how AI impacts work, organizational culture, trust and leadership.
 - Examine AI's effect on skills, human-AI collaboration and the workplace experience.
 - Empower your organization to navigate the AI transformation journey.
 - Dive into advanced analytics and AI for smarter, data-driven business decisions.
- **Unmatched Networking Opportunities:** With over 7,000 attendees expected, the AI and Big Data Expo offers unparalleled opportunities for networking, including the Networking drinks on Day 1 of the event. Plus, utilize our AI-powered matchmaking tool to connect with potential collaborators, clients, and thought leaders from around the globe.

- **Co-located Shows:** Gain access to nine co-located events, covering a wide range of technological innovations and trends. This multi-event format ensures attendees can explore the intersection of AI, big data, and other emerging technologies.
- **Exhibition Floor:** Discover the latest innovations from over 150 industry-leading solution providers, including Salesforce, Experian, Edge Impulse, Snowflake, Coursera and more. The exhibition floor is your gateway to seeing cutting-edge products and services first-hand, offering solutions that can transform your business.

In today's rapidly evolving landscape, AI isn't just a tool—it's a strategic imperative. Executives and senior employees need to stay ahead of emerging trends to drive innovation, efficiency, and growth across the organisation.

Discover how AI can transform your business! Dive deep into cutting-edge sessions covering everything from AI ethics and infrastructure to human-AI collaboration and revolutionary use cases.
